Sinhgad Technical Education Society (STES) was set up in August 1993, under the able and dynamic leadership of Prof. M.N. Navale with an objective of providing quality education in the field of Engineering, Dentistry, Management, Computer, Pharmacy, Architecture, Hotel Management and the basic school education from kinder garden onwards. There are 100+ institutes under the aegis of STES offering full-fledged school education, diploma, Graduation, Post Graduation courses and Ph.D. programs in various branches of Engineering, Science and Management at nine educational campuses ideally located in pollution free lush green and picturesque environment conducive for learning.

About SKNSITS
SKN Sinhgad Institute of Technology and Science situated at a beautiful location of Lonavala campus of Sinhgad, established in 2011 is a part of a well-known educational trust Sinhgad Technical Education Society having registered office in Pune. SKN Sinhgad Institute of Technology and Science is affiliated to the Savitribai Phule Pune University PUNE, SKNSITS is engrossed for its highest academic excellence and committed to provide quality education.

Besides conventional teaching, college puts special emphasis on e-based learning, subject-oriented value addition programs, experimental and industry-oriented project work along with Entrepreneurship development cell, Student training program, AMCAT, research club activities. The College has an established system of feedback from the students, parents and industry. Every student is closely monitored by the system of Local Guardian scheme.

Global Research Conference Forum is to provide latest advancement of knowledge in theory and practice of all area of research among scholars / researchers / academicians/ scientists from all around the world those are interested in recent issues in collaboration with international research community.

Conference Objectives
The objective of the Inter National Conference is to provide a platform to the UG/ PG Students, researchers, academicians and industry persons from the field of Electrical, Electronics, E&T, Mechanical, Production, Automobile, Computer, Information Technology, Civil & Related areas to present their papers, innovative ideas.

Conference Topic:
The original and unpublished research research/review papers are invited in the conference on following topics (but not limited to)

1. Control and Transmission
- Power Electronics & Energy Efficient Drive
- Smart Grid
- Control Theory and application
- Reliability and continuity of supply

2. Application of Advance Computing & Informatics in Engineering
- Data mining, cloud computing & IOT
- Machine learning and optimization
- Information and cyber security
- Social media, multimedia and web analytics
- Artificial intelligence

3. Application of Engineering in Manufacturing
- Additive Manufacturing
- Mechatronics
- Robotics
- Rapid prototyping
- Manufacturing and process automation

4. Application of Wireless & Embedded in Engineering
- Instrumentation for communication
- Emerging trends and development in VLSI
- Optimization using neural network
- Microwave system and application
- Signal and image processing
