The “GRCF Thailand International Conference on Sustainable Business Accomplishes Challenges and Prospects in Engineering, Science, Humanities, Education and Management in Global Framework” is organizing by our non-profit organization “Global Research Conference Forum”. The event is providing an international platform for academics, researchers and scientists from worldwide to exchange their knowledge discuss results and proposals regarding the soundest issues related to Humanities, Law, Library, Science, Technology and Management. Please join the world’s foremost gathering of research scientists, Engineers, educators, and policymakers, to be held in Bangkok, Thailand on January 28<sup>th</sup>-29<sup>th</sup>, 2023.

The main aim of the conference is the conferring of innovative technologies to focus on local and international serious Science Technology and Management issues. This event will include the participation of renowned keynote speakers, oral presentations, and technical topics related to the Scientific Program. A wide range of topics is presented, while addressing the new opportunities for the science, technology and Management policy interface promoting the discussion between the scientific and policy-making communities.

All the selected papers of the conference will be further considered for publication in International Journal.

If you are interested in participating in this Conference, **please contact at: [globalresearchconference@gmail.com](mailto:globalresearchconference@gmail.com).**

Finally, on behalf of the Organizing Committee, I would like to invite all the Scientific Community to participate in GRCF International Conference on Sustainable Business Practices and challenges in Management, Humanities, Law, Library, Science, and Engineering

Looking forward to welcoming you in Bangkok, Thailand !

*With Sincere thanks*

**Global Research Conference Forum Thailand Team**

| Ecosystems               | Artificial Intelligence |                                      | Philosophy.                          |
| Environmental Science    | Food Technology         |                                      | Psychology.                          |
| Earth Sciences           | Lather Technology       |                                      | Public Policy.                       |
| Forensic Science         | etc....                 |                                      | Religion.                            |
| Natural Sciences         |                         |                                      | Sociology.                           |
| etc....                  |                         |                                      | Social Science.                      |
|                          |                         |                                      | Visual Arts.                         |
|                          |                         |                                      | etc....                              |

## Abstract Requirements:

- Abstracts must be written in English.
- Research design/methodology
- The abstract text must be written in one continuous paragraph not longer than 300 words. Numbered list, bullet points or tables are strictly prohibited.
- Any conclusion/interpretations/discussions that could be drawn out from the result of the study

## The body of the abstract must contain the following information:

- Objective/purpose/rationale of the study
- Research design/methodology
- Overview of findings/trends (expected or preliminary results if the research is still in progress)
- To maintain impartiality and avoid any bias, authors are encouraged to not use any honorifics or rank such as Dr and Professor when referring to themselves in the document.

## Presentation Requirements:

- All presentations must be done in English.
- Oral Presentations: Each presenter shall be given 10 minutes for presentation. An additional 5 minutes will be added for Q&A which will be moderated by the session chair

For the benefit of the audience the presentation should at least cover the following area:

- The objective/purpose/rationale of the study
- Research design and methodology
- Background/overview of the topic
- Overview of findings and results
- Theoretical framework
- Conclusion/Discussion

## Full Paper:

- Full papers must be uploaded in MS Word format.
- Papers must not be more than 15 pages long. This is inclusive of all text, tables, figures, and any appendices. A fee of USD25 per page will be imposed for each additional page beyond this limit. A separate invoice will be issued to the author if this limit has been exceeded.
- The author will be notified via email if his/her paper has been accepted. Acceptance notifications will normally come with suggestions and remarks from the paper's reviewer.
- Presenters may opt to NOT publish their papers in the conference proceedings. If this is the case, please inform the conference secretariat of your intentions as early as possible to prevent any issues after the official publication of the proceedings.

Selected papers will be recommended to publication in Scopus Journal with additional fees and UGC care I listed Journal Publication will be free.

## Publication:

Submit abstract/Full Paper via email at : [globalresearchconference@gmail.com](mailto:globalresearchconference@gmail.com), [bangkok@globalresearchconference.com](mailto:bangkok@globalresearchconference.com)

## Important Date

| Particulars                          | Date                |
