Sustainable Business Growth Challenges Measures and Solutions in Global Scenario

Conference Date : May 13th & 14th, 2023

The World Innovative Research International Conference in, Management, Science Engineering Technologies & Humanities (WIRIC-MSETH May 2020)" is organizing by our non-profit organization "Global Research Conference Forum". The event is providing an international platform for academics, researchers and scientists from worldwide to exchange their knowledge discuss results and proposals regarding the soundest issues related to Humanities, Science, Technology and Management. Please join the world's foremost gathering of research scientists, Engineers, educators, and policymakers, to be held in Cochin, Kerala on May 13th-14th, 2023.

The main aim of the conference is the conferring of innovative technologies to focus on local and international serious Science Technology and Management issues. This event will include the participation of renowned keynote speakers, oral presentations, and technical topics related to the Scientific Program. A wide range of topics is presented, while addressing the new opportunities for the science, technology and Management policy interface promoting the discussion between the scientific and policy-making communities.

All the selected papers of the conference will be further considered for publication in International Journal.

If you are interested in participating in this Conference, please contact at: globalresearchconference@gmail.com.

Finally, on behalf of the Organizing Committee, I would like to invite all the Scientific Community to participate in WORLD INNOVATIVE RESEARCH CONFERENCE IN, MANAGEMENT, SCIENCE ENGINEERING TECHNOLOGIES, LAW, LIBRARY, SICENCE & HUMANITIES (WIRIC-MSETH MAY 2022)"

Looking forward to welcoming you in Cochin!

With Sincere thanks
